

Workshop on

Sparked Innovative Teaching with Generative AI

 **15 September 2026**
(Tuesday)

 **ICT Lab 1**
SEAMEO RECSAM
Penang, Malaysia

Objectives:

By the end of the workshop, participants will be able to:

- Describe the basic concepts, capabilities, and limitations of Generative AI in education.
- Apply Generative AI tools to support lesson planning, content creation, and assessment development.
- Design simple teaching and learning activities that integrate Generative AI effectively and responsibly.

Target Participants:

- This workshop is designed for educators interested in exploring how Generative AI can enhance teaching and learning. It is particularly relevant for school teachers, science educators, teacher educators, curriculum developers, educational administrators, and pre-service teachers who wish to develop practical knowledge and skills in integrating AI tools into educational practice.

Workshop Facilitator:

Ms. Sivaranjini Sinniah
Science Education Specialist
SEAMEO RECSAM

Registration Fee:

FREE

- Workshop registration fee is **FREE***. For an all-inclusive workshop package consisting of one morning tea and an e-certificate, a fee of MYR 30.00 applies.
