

The Journal of Science and Mathematics Education in Southeast Asia, the official Journal of SEAMEO Regional Centre for Education in Science and Mathematics (RECSAM), is published twice a year in June and December. The Journal serves as a medium for the exchange of ideas and the dissemination of information in science, mathematics and technology education for a wide range of readership. Submission of quality papers relevant to the teaching and learning of science and mathematics at the primary and secondary levels and the areas of teacher-education is invited.

Readers wishing to submit manuscripts for publication should refer to the notes on the inside back cover.

All correspondence, including comments, suggestions, subscriptions, contributions or other related inquiries should be addressed to:
