

Workshop on 'Designing an Impactful Online Learning Experience'

Facilitator: Prof. Dr. Abd Karim Alias, Universiti Sains Malaysia

Date: 11 December 2020

Venue: SEAMEO RECSAM, Penang, Malaysia

Objective:

At the end of the workshop, participants should be able to:

- Prepare an impactful online activities for workshops or regular courses for science and mathematics
- Conduct an impactful online workshops or regular courses to participants from SEAMEO member countries.

Rationale:

This workshop is intended to give participants the opportunity to establish groundbreaking online training as a new normal for information dissemination in science and mathematics. Despite the issues faced by participants, the workshop is intended to help with innovative concepts and immersive online teaching.
